## Work History:

Junior Web Front-End Developer || W3aSolutions && August 2022 - Present, && Remote.

I'm working as a Junior Web **Front-End** Developer at w3aSolutions on a contract basis. My primary role is writing project proposals for would-be clients and **developing** the first look of a web app. If we get the project approval then I work until it is deliverable.

***2017-02 – 2020-04:*** Technical Analyst cum Junior Executive || *Amarstock , Dhaka***.**

I worked with Amarstock for **3** years long. In Amarstock I played a **double** role. My main job was to train people how to use amarstock.com web app and what they will get from that site. Besides this, I also worked as a junior executive, in **administration**.

## Education:

*2004-2008* Bachelor of Social Science || Public Administration || University of Rajshahi. **Bangladesh**.

## Certifications:

**2023-06-2023-07: 7 weeks bootCamp ;**

*2023-01 – 2023-06:* Complete Web Development Course at Programming **Hero** – [6months]

*2017-01- 2017-04:* Search Engine **Optimization** – [3months]
